

Make an impression!

Let me help.

Qualified IT teacher. Great IT skills, including Photoshop, digital photography and MS office.

CV Help!

Let me touch-up your current CV and give it a new lease of life. Let me 'tweak' your current CV and aim it towards that specific job. A great CV can make all the difference! Come and let me give you a chance!
5 copies on 100g paper + copy on CD and emailed to you if required.
From £20.

Digital Presentations with 'PowerPoint'

Need to impress for a job interview or assignment? Need a top notch 'Powerpoint'? Let me help you! With excellent IT skills, including several years experience in teaching 'Powerpoint' I can polish up your current 'Powerpoint' or create a new one for you from scratch. Contact me with the idea, content and style required, email or post me the content and let me do the rest! Allow me 48 hours turn round and the finished show can be emailed back to you as a .ppt and/or .pps. Can be posted to you on CD if you require.

'Make-over' an existing presentation, £20 Up to 15 Slides, from your existing content £30. Create a new presentation to your requirements, content, colour scheme and design for up to 15 slides from £40.

Tell me what you need, ask me how I can help!

Digital Slideshows

Digital slideshows made from your digital photos. Send me your images by email and I will present your images in a slide show, add background music and titles if required. Can return by email or burn to CD.

15 images, with music and titles, £20. 30 images with background music and titles, £35

Typing and presenting Assignment/work

Letters written, assignments typed and presented. Charts and graphs added, images scanned, manipulated then added, assignments etc. Send me your (legible) notes and let me present them! Email me them for 48 hour turn-round.

Contact me and tell me how I can help. £20/hour.

Digital Still Photography

I am skilled photographer with a good eye for a 'natural shot'. Ideal at parties, receptions and family events. Devon based and working in digital with excellent skills in 'Photoshop' for after-shoot 'touching-up', including B+W, Sepia and Soft Focus.

100 prints produced in association with 'Photobox', plus a 'Master Disk' of the images including 20 B+W, Sepia or Soft Focus options.
Share your images with a 'Web Album' - arranged on request.

Email me about dates.
£350.

Visit my on-line gallery at: www.andy-thompson.com for examples of my work and buy images.
